

BLUE RAIN, MOON RAIN

APRIL LESHER

Blue rain,
moon rain
shooting through the trees

Gray rain,
wave rain,
shaking in the seas.

Bronze rain,
pond rain,
plopping in the glow.

White rain,
ice rain
hiding in the snow.

Tin rain,
wind rain,
skipping in the peaks.

Gold rain
road rain
showing on the streets.

Green rain,
dream rain,
sleeping in the park.

Black rain,
flash rain,
clapping in the dark.

Plum rain,
sun rain,
thumping on the sand.

Red rain,
West rain
setting on the land.
